

YAGP 2012 Semi-finals

Paris, FRANCE

November 11 - 13, 2011

Dear Participants, Parents and Teachers,

It is with great pleasure that we welcome you to the YAGP 2012 Semi-Finals in Paris, FRANCE! We hope you will enjoy learning from each other as well as the many distinguished dance professionals gathered here. As many of you already know, we have designed the YAGP experience in such a way that every participant, regardless of their level of training or career goals, can benefit greatly from the multitude of educational and professional opportunities available throughout the event.

In response to parents' and teachers' requests from previous years, we would like to inform you that this year the competition entries are organized by birth date starting with our youngest participants. The only exceptions to this order are special considerations due to costume changes.

We are proud to say that in only 13 short years YAGP has become the largest student scholarship competition in the world. This is in large part due to the support of our participants and participating schools. In particular, we would like to thank the European participating schools:
